Pre and post conference activities are also to be conducted on issues that are not directly addressed in the main conference.

Business Opportunity:

The Global Conference, held every two year, also creates ample of opportunities to enhance and expand businesses.

The conference provides a platform for introducing products and ideas among Nepali Diaspora from all over the world and the resident Nepali business people. It can also be used to establish business contacts with Nepali business people from around the globe. The commercial significance of the conference is enhanced by the value and importance given to it by the Nepali Diaspora globally especially; at this crucial time of re-building our motherland and comforting our country fellow from the miseries caused by the earthquake.

The Global Conference provides opportunities for Nepali companies and entrepreneurs to promote their products among the Nepali Diaspora by participating as a sponsor. Various range of partnership such as Event, Platinum, Gold, Silver and Supporter are available with accompanying mileages. Institutions can also sponsor events such as lunch, dinner and other events. The details of sponsorship package and the mileage offered to the sponsors can be obtained from the NRNA website www.nrna.org under the 8th NRN Global Conference and NRNA International General Assembly.
