

# **Shri Bindhyabasini Mata Temple Construction**

## **Background**

The Bindhyabasini Temple, a newly built spiritual center, stands as a symbol of faith and hope for many. It reflects our deep-rooted cultural and spiritual traditions. Beyond being a place for worship, the temple also serves as a hub for community engagement, cultural preservation, and social welfare. Since its opening, it has welcomed thousands of visitors, offering them a space for prayer, reflection, and social connection. However, the temple is facing increasing challenges in meeting the growing demand for its services as resources become limited.

We are excited to share the progress of the Shri Bindhyabasini Mata Temple, located in Satungal, Ward No. 10, Chandragiri Municipality, and Kathmandu District. This temple, designed according to the Master plan is being built on 28 ropanis of land with the support of the Shri Bindhyabasini Spiritual Association. To date, the construction has reached the completion of the second-floor slab, with a total expenditure of NPR 30 million. As we move forward with this sacred project, we are reaching out to seek additional funds to continue the work and ensure its timely completion. Your kind donation will not only support the construction of the temple but also enrich the spiritual and cultural life of our community. With your generous contribution, we can continue this important journey together.
