

## **Join Hands with Pabitra Samaj Sewa Nepal (PSS Nepal)**

Every day, millions in Nepal face unimaginable hardships no shelter, no food, and no access to essential healthcare or education. Organizations like Pabitra Samaj Sewa Nepal (PSS Nepal) offer hope to these vulnerable individuals.

## **About Pabitra Samaj Sewa Nepal (PSS Nepal)**

Founded in 2002, PSS Nepal supports the homeless, orphaned children, the elderly, and those suffering from disabilities or mental illness. Their mission is to provide shelter, food, education, healthcare, and most importantly love and dignity to those left behind. Since its inception, PSS Nepal has helped hundreds reclaim their dignity and build brighter futures. Currently, they provide a home to 75 individuals, including orphans, widows, and elderly residents, and educate 50 children. However, resources are becoming scarcer, and the demand for their services continues to grow.

## **Urgent Needs**

To continue offering life-changing support, PSS Nepal urgently needs your help. Here's how your support can make a difference:

1. **Hostel Building for 50 Children (Boys and Girls):** Providing separate, safe, and well-equipped living spaces is essential for the growing educational needs of children. Currently, all children live together in one space, which is becoming increasingly challenging as the number of residents grows. This includes elderly and sick individuals, making it difficult to maintain a conducive environment for both learning and growth.

## **Additional Critical Needs**

1. **Medical Room:** A dedicated healthcare space with beds, essential medicines, and services.
2. **School Bus:** Reliable transportation for children to access education.
3. **Educational Support:** Assistance with school admissions, books, uniforms, bags, and stationery.
4. **Food Supplies:** Nutritious meals for children and elderly residents.
5. **Winter Clothes:** Warm clothes to protect residents from harsh winter weather.
6. **Drinking Water & Water Tank:** A reliable water system to maintain hygiene and health.

## **Expected Financial Contributions**

We aim to raise **NPR 2,000,000**. Your support can make a significant difference in the lives of those we serve.
