PREFACE

•Citizenship •Investment •Prosperity

United by Identity, Driven by Investment, Committed to Prosperity.

The **17th European Regional Conference** will be held alongside various parallel sessions, including the Women Conclave, Youth and second-generation Conclave, and dedicated sessions on Citizenship and Investment, among others, will take place on **10–11 August 2026** at the **Radisson Blu Royal Hotel, Dublin, Ireland**. This significant conference is hosted by the **NRNA National Coordination Council (NCC) Ireland** and organised by the **NRNA European Regional Committee**

The **17th European Regional Conference - SANKALPA (संकल्प)** - marks a defining moment for the Non-Resident Nepali (NRN) community across Europe. Bringing together three vital pillars of the diaspora—the European Regional Conference, the Women Conference, and the Youth Conference—this event creates a unified and transformative platform for dialogue, action, and long-term vision.

SANKALPA, meaning solemn resolve and unwavering commitment, reflects the collective determination of Nepalis living across Europe to actively exercise their citizenship rights and mobilise their knowledge, networks, and resources toward Nepal's sustainable development. Anchored in the central theme "**Citizenship. Investment. Prosperity.**", the conference aims to translate ideas into actionable commitments that contribute to Nepal's economic growth and global engagement.

Hosted by NRNA NCC Ireland and organised by the NRNA European Regional Council, the conference is expected to welcome over 200 distinguished delegates, including policymakers, entrepreneurs, community leaders, youth innovators, and women advocates. Together, they will engage in high-level discussions to shape a forward-looking roadmap for diaspora contribution to Nepal.

At a critical juncture where the Non-Resident Nepali Association (NRNA) is undergoing institutional reflection, reform, and renewed strategic direction, this conference holds particular importance. It offers a timely platform to strengthen unity, enhance dialogue, and align priorities among NRNs across Europe and beyond.

The Nepali diaspora continues to play an increasingly significant role in Nepal's socio-economic transformation—not only through remittances, but also through investment, innovation, knowledge transfer, and international advocacy. However, structural challenges persist in effectively channeling these contributions into long-term, impactful outcomes.

In this context, the conference places strong emphasis on strengthening coordination between National Coordination Councils (NCCs) and the International Coordination Council (ICC). Enhancing communication, fostering collaboration, and improving resource-sharing mechanisms are essential to building a more cohesive and effective institutional framework. The conference will focus on aligning NCC initiatives with ICC priorities, improving governance and transparency, and reinforcing operational efficiency across the organisation.

By promoting stronger institutional connectivity and shared accountability, the event aims to create a unified European NRN network that is better integrated with the global diaspora. This collaborative approach will help establish a clear and collective pathway toward achieving both organisational objectives and Nepal's broader national goals.

Recognising the evolving needs and realities within NRNA, the conference will also prioritise building trust, encouraging inclusive participation, and fostering a results-oriented culture. It seeks to develop a shared vision that strengthens unity while ensuring meaningful engagement across all segments of the diaspora.

Key areas of focus will include expanding diaspora investment opportunities in Nepal, enhancing capacity-building initiatives, safeguarding and advancing citizenship rights, and promoting sustainable economic development. Through these priorities, the conference aims to empower NRNs to play a more active and structured role in shaping Nepal's future.

Ultimately, the **17th European Regional Conference - SANKALPA 2026** is not just a gathering, but a collective commitment—a forward-looking pledge by the Nepali diaspora in Europe to contribute meaningfully to Nepal's prosperity through unity, responsibility, and action.

EVENT VENUE AND ACCOMMODATION

Radisson BLU
ROYAL HOTEL, DUBLIN

The **Radisson Blu Royal Hotel Dublin** is a modern 4-star hotel located in the center of Dublin, known for its professional service and comfortable atmosphere. It is an ideal venue for international meetings and events.

The hotel offers **over 230 fully air-conditioned rooms** in different categories, all equipped with free Wi-Fi and modern amenities.

It has **excellent conference facilities** with multiple meeting rooms and a total capacity of around **1,000 participants**, suitable for conferences, seminars, and official gatherings.

Accommodation at Radisson Blu:

€295 per night (single occupancy, breakfast included)

€315 per night (double occupancy, breakfast included)

The location is highly convenient:

- **Dublin Airport** – 20–25 minutes
- **Dublin Castle & city center** – walking distance
- Easy access to public transport

Guests can enjoy **on-site dining** with Irish and international cuisine, and breakfast is included in most packages.

Additional facilities include:

- Fitness center
- 24-hour service
- Business and event support

Hotel address:

Radisson Blu Royal Hotel Dublin

ALTERNATIVE ACCOMMODATION

BLOOMS HOTEL, TEMPLE BAR

(10-MINUTE WALK FROM VENUE)

30 ROOMS CAN BE BOOKED

Blooms Hotel is a well-known 3-star hotel, especially popular with travellers who want to stay right in the center of Dublin's social and cultural life. It's instantly recognizable for its colorful, artistic façade inspired by James Joyce's Ulysses.

Location

Situated in the heart of **Temple Bar**, Dublin's most vibrant cultural and nightlife district. You're within walking distance of landmarks like Trinity College, Grafton Street, and Dublin Castle.

Accommodation at blooms Hotel:

€155 per night (double occupancy, breakfast included)

*This option is €160 cheaper per night than Radisson Blu and offers excellent value.

Hotel address:

Blooms Hotel Temple Bar

Phone: +353 1 671 5622

Website: <https://www.blooms.ie/>

Getting to Blooms Hotel from Dublin Airport is straightforward, as the hotel is located about 11 km away in the city centre, right in the Temple Bar district. The most direct option is taking a taxi, which typically takes around 20–30 minutes depending on traffic and costs approximately €25–€35; taxis are readily available just outside the airport terminals and are especially convenient if you have luggage or arrive late at night. For a more economical choice, you can take a Dublin Bus service such as route 16 or similar airport routes, which will bring you to the Trinity College or College Green area in about 30–45 minutes; from there, the hotel is only a short 4–5 minute walk. If you prefer driving or using ride-hailing apps, the journey takes roughly 25 minutes by following directions toward Dublin City Centre and then Temple Bar via Anglesea Street. A common and practical approach is to take any airport bus to the city centre, get off at Westmoreland Street or College Green, and walk a few minutes into Temple Bar. Once you reach the Trinity College Dublin area, the hotel is very close and easy to find on foot.

REGISTRATION FEE

Participation fee is **200 euros** per person. This includes two lunches two dinner on 11-12 august during the event. We are delighted to host this event in the Dublin , but we are also aware that we could not organise it in a meaningful way without the support and cooperation of all NCCs and ICCs. This is a joint event and therefore a shared responsibility between the ICC and NCCs is essential.

ABOUT IRELAND AND DUBLIN

Ireland is an island nation in northwestern Europe, known for its green landscapes, deep-rooted history, and strong cultural identity. Often called the “Emerald Isle,” it has a long tradition shaped by Celtic heritage, British influence, and a modern European outlook. Ireland is a parliamentary democracy and a member of the European Union, with a dynamic economy and a global cultural presence through literature, music, and diaspora communities.

Dublin, located on the east coast, is the capital and largest city of Ireland. It sits along the River Liffey and blends historic charm with modern energy. The city is known for its literary legacy—home to writers like James Joyce and W. B. Yeats—as well as its vibrant cultural life, universities, and tech industry.

Dublin offers a mix of Georgian architecture, lively streets, and cultural landmarks such as Trinity College Dublin and the historic Temple Bar district. Today, it stands as a key European capital where tradition and innovation exist side by side.

Weather of Dublin

In Dublin, August offers mild and comfortable summer weather, with daytime temperatures typically around 18–19°C and cooler evenings near 13–14°C, making it ideal for outdoor activities without intense heat. The city enjoys long daylight hours—up to about 15 hours early in the month—while the weather remains changeable, often shifting between sunshine, clouds, and light rain. You can expect around 10–12 rainy days, usually with brief showers rather than continuous rain, so carrying a light jacket or umbrella is wise; overall, it's one of the most pleasant and balanced months to experience Dublin.

TRANSPORTATION FACILITIES

To reach the Radisson Blu Royal Hotel Dublin from Dublin Airport, the most practical and widely used option is by bus. Services like Dublin Express and Aircoach run frequently from the airport to the city centre, taking about 30–35 minutes, with stops within a short walking distance of the hotel. Public Dublin Bus routes are also available, offering a cheaper alternative though slightly slower. Taxis and private transfers provide the fastest and most direct route, usually taking around 15–20 minutes depending on traffic, and are especially convenient for travelers with luggage or those arriving late at night.

Dublin does not currently have a direct subway or metro connection from the airport, so rail-based travel requires combining transport modes. You can take a bus into the city centre and then connect to the Luas tram system; the nearest stop to the hotel is Four Courts on the Red Line, about a 7–10-minute walk away. While this option works, it involves a transfer and is less straightforward than taking a direct bus or taxi. Overall, bus services remain the most balanced choice in terms of cost, convenience, and accessibility, while taxis offer speed and ease.
