प्रेस वक्तव्य

संचारकर्मी साथीहरु,

हाम्रो मातृभूमि नेपाल भूकम्पको महाविपत् र दुःखमा परेको बेला हामी संसारभर रहेका गैरआवासीय नेपालीहरु आपतकालिन राहत बितरणमा सक्रियतापूर्वक लागिरहेको यहाँहरुलाई अवगत नै छ ।

गैरआवासीय नेपाली संघका अध्यक्ष, उपाध्यक्ष, महासचिवलगायत सबै कार्यकारिणी समितिका सदस्य र सयौंको संख्यामा स्वयंसेवीहरु यति बेला आपतकालिन राहत वितरणमा परिचालित भइरहेका छौं ।

गैरआवासीय नेपाली संघले भूकम्प आए लगत्तै ८ जिल्लाका १० हजार परिवारलाई आपतकालिन राहत बितरण गर्ने घोषणा गरेका थियौं, जुन यतिबेला अन्तिम चरणमा रहेको छ । धेरैजसो जिल्लामा राहत बितरण सकिएको छ भने केही जिल्लामा हाम्रो स्वयंसेवक टोली राहत बितरण गरिरहेको छ । यस क्रममा हामीले सिन्धुपाल्चोक, काभ्रे, गोर्खा, लमजुङ, नुवाकोट, धादिङ, रसुवा र रामेछाप जिल्लाहरुमा राहत बितरण गरेका छौं । साथै भूकम्प प्रभावित जिल्लाहरुमा स्वास्थ्यशिविर पनि संचालन भइरहेको छ ।

पहिलो चरणको आपतकालिन राहत बितरणका क्रममा हामीले स्थानीयवासीहरूसँग अन्तरक्रिया समेत गरेका थियौं । उहाँहरुको मुख्य चिन्ता र चासो बस्ने घर नभएको भन्ने नै थियो । वर्षात् सुरु हुने लागेको अबस्थामा भूकम्प प्रभावित गाउँमा बासको अभावमा भन्नु ठूलो समस्या देखिने ठानेर हामीले दोस्रो चरणको राहतस्वरूप पिडीत परिवारलाई घर निर्माण गरिदिने तयारी गरिरहेका छौं ।

यसक्रममा गैरआवासीय नेपाली संघले प्रभावित ८ जिल्लाहरुकाकरिव १ हजार भूकम्प प्रतिको ध्वं पर्यावरण मैत्री घर निर्माण गर्ने तयारी थालेको छ । यसको लागत करिव ३५ करोड रुपैयाँ हुने हाम्रो प्रारम्भिक अनुमान रहेको छ ।

कुन-कुन ठाँउमा कसरी घर निर्माण गर्ने भन्ने

बिषयमा अध्ययन गर्न हामीले एक समिति बनाएका छौं उक्त समितिले इन्जिनियर, विज्ञ तथा नेपाल सरकारका प्रतिनिधिहरूसँग छलफल गरी प्रतिवेदन पेश गर्ने छ । सोही आधारमा हामीले भूकम्प प्रभावित बिपन्न तथा न्युन आय भएका परिवारको छनौट गरी घर निर्माण प्रकृया थालनी गरिने छ ।

अहिले भूकम्पले गर्दा स्थानीय बासीहरुको आत्मविश्वास गुमेको छ, जसले गर्दा उहाँहरु अवसरको खोजीमा बसाइ सराई गर्ने र त्यसबाट दीर्घकालिन समस्या उत्पन्न हुने खतरा हुन्छ । त्यसैले हाम्रो उद्देश्य त्यो ठाउँमा घर बनाउनु मात्र नभएर उहाँहरुलाई गाउँमा बस्न र केही गर्न सकिन्छ भन्ने आत्मविश्वास जगाउनु पनि हो ।

घर निर्माण गर्दा स्थानीयबासीको चाहना, त्यहाँको स्थानीय संस्कृति र सम्पदाको गौरवलाई समेत सम्मान गर्दै घर तथा समुदायको दिगोपनमा जोड दिइने छ । स्थानीय संस्कृतिको समेत प्रबर्द्धन हुनेगरी नमुना घरहरु बनाउने गैरआवासीय नेपाली संघको कोसिस रहने छ । यसका लागि हामीले अन्य संघसंस्थासँग समन्वय र सहकार्य गर्ने छौं । यो प्रकृयामा हामी गैरआवासीय नेपाली विज्ञ र स्वयंसेवकहरु समेत परिचालन गर्ने छौं जसले विदेशमा सिकेको सीप नेपालमा हस्तान्तरण गर्न र स्थानीयबासीलाई सिपयुक्त बनाउन समेत मद्दत गर्ने छ ।

प्राविधिक तयारी पुरा भएपछि यथाशक्य छिटो घर निर्माण प्रकृया सुरु हुने जानकारी जराउन चाहान्छौं ।

मुलुकभर भूकम्पका कारण लाखौं घर नष्ट भएको अवस्थामा गैरआवासीय नेपाली संघले एक हजार घर बनाउनु ठूलो कुरा नभएपनि यो सुरुवातले बिस्थापित गाउँलेहरुलाई आफ्नै ठाउँमा पुर्नस्थापित हुन ठूलो सहयोग पुग्ने छ भन्ने हाम्रो विश्वास छ ।

धन्यवाद ।

गैरआवासीय नेपाली संघ,
मिति: २०७२, बैशाख २३ गते ।

President's Appeal

Dear Chief Patron, Founder President, Past President, Immediate Past President, Patrons, Advisers, ICC Colleagues, NCC Colleagues, Past and Present NRNA Leaders,

Namaste and Hope this finds you well!

Re: Call to be part of the Nepal Earthquake Disaster Relief – NRNA Global Committee 2015

I and few of our NRNA Friends have already arrived in Nepal and started the ground work in Nepal to coordinate immediate relief on behalf of the Nepali Diaspora at this difficult time for our nation.

I am sure many of you are already in action with heart and mind to coordinate support for the much needed disaster affected areas and the victims. With our brief inspections and visits, we have identified an enormous need for support for the victims, the casualties, the starving population as a result of the earthquake, providing temporary shelter, potential outbreak of an epidemic to name a few. At present, our priority is to raise as much funds as we can to facilitate the immediate relief.

We will be prioritizing in providing immediate food, temporary shelter (tents) and basic medical supplies directly to the victims. In order to mobilize our NRNA Leadership base in wider scale from the starting days of NRNA until present, we have formed a 301 member global committee for the earthquake disaster relief with an intention to have great coverage, campaign and mobilization in this great cause to every level.

I urge all of you to come forward and lead by example in such a difficult time in history for our nation. This will require your own generosity, involvement, leadership within the Nepali Diaspora and the wider corporate and individual communities in the countries and regions you are living and working.

Together, we can make a difference!
Thank you,

Kind Regards,
Shesh Ghale
President
NRNA ICC

Updates on the first phase of Disaster Relief program

By 5th May relief activities had been completed in 6 districts namely Shindhupalchowk, Gorkha, Lamjung, Karve, Nuwakot and Dhading. Relief to remote areas of Gorkha, Lamjung and Dhading were airlifted by the helicopters of the Nepalese Army on their expenses.

Similarly, medical camps were also held in Sindhupalchowk, Gorkha and Dhading. Relief materials to Rasuwa district consisting of 1000 cartoons of noodles, 2000 pieces of blankets, 1000 units of tarpaulin and 6000 kgs of rice along with 20 NRN volunteers under the coordination of DRC of Asia Pacific, Robindra Shrestha, left for Rasuwa today. The coordinator of Ramechhap district, Sudan Thapa, NRN from Japan, had left for the district to conduct a field study and to analyze the ground reality before delivering the relief package.

Overwhelming response was received in the medical camps organized by NRNA and over 2000 patients were provided with treatment in the three districts. Medical camps were also held in the three districts of the Kathmandu Valley namely Kathmandu, Bhaktapur and Kritipur. Altogether, 1000 patients have been provided with medical treatment. The first phase of the relief program is anticipated to be completed by Friday 8th May but the medicals camps are to be operated till 15th May.

After the completion of the first phase, NRNA will focus on rehabilitation and a committee consisting of the Vice President of NRNA, Mr. Bhaban Bhatta and the Chair of MIT Foundation and volunteer for Disaster Relief Committee, Ms. Jamuna Gurung has been formed to study the possibilities and consult with the concerned authorities and the stakeholders and provide a report to the Association.
