

Entrepreneurship and Enterprise Development Committee (EEDC)

Entrepreneurs turn bright idea into a successful business consequently creating small to medium size enterprises. It plays a major role in contributing to capital formation, creating employment opportunities, inducing linkages in an economy, and generally promoting economic growth. Therefore, many developed nations recognized entrepreneurship as a critical element in economic development of a country.

With this understanding, it was one of my election pledges to develop future entrepreneurs for 'better Nepal'. Nepal, which requires urgent need to encourage and support entrepreneurship to foster a generation of young entrepreneurs who have the knowledge and business culture to take advantage of the wealth of opportunities in the future who will ultimately contribute the economic and social development of Nepal..
