Warm Greetings from NRNA  
Asia Pacific Region!

We are pleased to announce that the 9th Asia Pacific Regional Conference will take place from August 26–28, 2022 in Bangkok, Thailand. This follows the successful organization of the previous 8 Asia Pacific Regional Conferences in a variety of Asia Pacific countries.

The main biannual event of NRNA Asia Pacific area is a three-day event program. The conference's slogan is "Together we stand" and its theme is "Milap". More than 300 NRNs and Nepali from 30 different nations are expected to participate.

We hereby request you to be the part of this event as the official partner and take this opportunity to promote your service and products with the global NRN community. Allow us to take this opportunity to underline the fact that the sustainability of the Conference will only be possible if the full preparation and organizational costs are provided through earmarked extrabudgetary funds provided by our sponsors.

We assure you that maximum coverage will be given to the sponsors in all activities of the Conference. Four different sponsor category are listed below
